Founded by a small group of boating families in 1947, SBYC is conveniently located in Edgewater, Maryland... just inside the mouth of South River on Selby Bay. Ten miles south of Annapolis, Selby Bay is the perfect starting point for cruising to the most popular mid-bay destinations.

As a member operated club, we encourage members to get involved in all aspects of the club. It's this kind of involvement that brings forth a feeling of ownership... of belonging... and gives our members pride in their club. It's this kind of involvement that truly maximizes the yacht club lifestyle.

Selby Bay Yacht Club is a private, member owned and operated yacht club. With 73 slips available for active boating members, our club is the perfect size—large enough to hold wonderful group events and cruises, yet small enough to preserve the intimate atmosphere of a private club. Everyone knows each other, and it's very seldom that you walk down the docks on the weekend without stopping to talk with someone. So much more than a marina, Selby Bay Yacht Club is a place where members get to know one another very quickly as friends... not just nodding acquaintances.
